

Hello boys
and girls!

DEAR FRIENDS

February has arrived, bringing with it the opportunity to experience the warmth of God's love and the joy found in friendship. It's a month to celebrate the special bonds we share with our family, friends and with our faith.

As we exchange Valentine cards and share sweet treats, let's reflect on the love that God showers upon us. February is a beautiful time to deepen our connection with God and to recognise the love He has for each one of us. Just as God's love knows no bounds, let us strive to show love and kindness to those around us. In this month of love, consider expressing gratitude for the friends who walk with you on your journey. Maybe you could share a prayerful moment or attend a special Mass together to strengthen the bonds of friendship.

I invite you to create a "Faithful Friendship Tree"

as a symbol of our shared faith and love in Christ.

Draw a sturdy tree on a large piece of paper or cardboard.

Cut out heart-shaped leaves from different coloured paper. On each leaf, write a prayer for a friend or express gratitude for the blessings of friendship. Attach the leaves to the branches of your tree, showing the friendships that enrich your life. May this Friendship Tree serve as a reminder of the love that binds us together and the joy found in friendship.

I would love it if you could share a photo with me by email to:

Wishing you a February filled with the grace of God's love and the warmth of faithful friendships!

God bless,

Toby
