

Dear
Children

Happy New Year to you all. I hope 2024 is a wonderful year for you, your friends and your family. May all your dreams come true and all your efforts give wings to your dreams this coming year.

This month we are exploring dreams. Walt Disney said '*All our dreams can come true, if we have the courage to pursue them*'. I wonder what are your dreams today? Are you working towards achieving your dreams? We can all take small steps to make our dreams come true – just like Don Bosco did in his life. Walt Disney said '*If you can dream it, you can do it.*' May we have the courage to share our hopes and dreams with each other and support each other to achieve our dreams.

Don Bosco was 9 years old when he had dreams about working with young people. In his dreams he learned that it was not by fighting with the young people he would change their behaviour but by treating them with respect, loving them and praying with them. Don Bosco gained the trust of young people by treating them with kindness and care. May we always try to

follow the example of Don Bosco in our relationships with others. We are all ambassadors for peace – let us remember to show others through our actions and words that we love them, we care about our world and we dare to dream.

Take care!

Toby
