ROOM IN OUR HEARTS

Hello girls and boys

December is a very exciting time of year. There are lights shining in windows, Christmas songs playing in shops and people busy preparing for the big day. In the middle of all the excitement, Advent reminds us to slow down and prepare our hearts for Jesus.

When Jesus was born in Bethlehem, there was no room for Mary and Joseph at the inn. Yet Jesus still came into the world to bring love, hope and peace to everyone. Today, Advent asks us an important question: do we have room in our hearts for Jesus and for other people?

Making room in our hearts means choosing kindness over unkindness. It means forgiving others, helping those in need and noticing people who may feel left out or lonely. Sometimes the greatest Christmas gift we can give is not something wrapped in paper, but love, care and friendship.

Don Bosco believed that every child should know they are loved and welcomed. He created places where young people felt safe, happy and valued. We can continue that mission by making others feel included and cared for this Christmas.

As we wait for Christmas Day, let us remember that the light of Jesus brings hope to the world. We can share that light through our words, our actions and our kindness.

So this Advent try to make extra room in your heart - room for joy, peace, love and hope. When our hearts are open to others, we help the true meaning of Christmas shine brightly for everyone.

Wishing you and your family a very Happy Christmas.

God bless, Toby
